

Saint Martin de Porres School Is Proud to Host

A SALUTE TO OUR VETERANS

Saint Martin de Porres School is honored to celebrate Veterans Day by inviting school relatives and/or friends and parishioners of Saint Martin de Porres Church who have served in the military to share in a ceremony prepared by our school children on Thursday, November 9, 2017. This salute to our Veterans in prayer, song and poetry will begin at 10:00 AM in our school gymnasium followed by a luncheon for the Veterans. This should be a wonderful, patriotic learning experience for our students and a tribute to our country and those men and women who have served it so courageously.

If you or anyone you know is a Veteran who would like to participate, please complete the tear-off below and return it to the school office by Wednesday, November 1, 2017 or kindly call our school office at 452-4428 to register.

Please complete and return to Saint Martin de Porres School office no later than Wednesday, November 1, 2017. Thank you for your cooperation.
